#### Explanatory Notes:

- The Ordinary Resolution 7 in item 7 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant Instruments convertible into shares and to issue shares pursuant to such Instruments, up to a number not exceeding, in total, 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to shareholders. The 50% limit referred to in the preceding sentence may be increased to 100% for the Company to undertake pro-rata renounceable rights issues.  
For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares) will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.  
The 100% renounceable pro-rata rights issue limit is one of the new measures implemented by the SGX-ST as stated in a press release entitled "SGX introduces further measures to facilitate fund raising" dated 19 February 2009 and which became effective on 20 February 2009. It will provide the Directors with an opportunity to raise funds and avoid prolonged market exposure by reducing the time taken for shareholders' approval, in the event the need arises. Minority shareholders' interests are mitigated as all shareholders have equal opportunities to participate and can dispose their entitlements through trading of nil-paid rights if they do not wish to subscribe for their rights shares. It is subject to the condition that the Company makes periodic announcements on the use of the proceeds as and when the funds are materially disbursed and provides a status report on the use of proceeds in the annual report.
- The Ordinary Resolution 8 in item 8 above is pursuant to measures implemented by the SGX-ST as stated in a press release entitled "SGX introduces further measures to facilitate fund raising" dated 19 February 2009 and which became effective on 20 February 2009. Under the measures implemented by the SGX-ST, issuers will be allowed to undertake non pro-rata placements of new shares priced at discounts of up to 20% to the weighted average price for trades done on the SGX-ST for a full market day on which the placement or subscription agreement in relation to such shares is executed, subject to the conditions that (a) shareholders' approval be obtained in a separate resolution (the "Resolution") at a general meeting to issue new shares on a non pro-rata basis at discount exceeding 10% but not more than 20%; and (b) that the resolution seeking a general mandate from shareholders for issuance of new shares on a non pro-rata basis is not conditional upon the Resolution.  
It should be noted that under the Listing Manual of the SGX-ST, shareholders' approval is not required for placements of new shares, on a non pro-rata basis pursuant to a general mandate, at a discount of up to 10% to the weighted average price for trades done on the SGX-ST for a full market day on which the placement or subscription agreement in relation to such shares is executed.
- The Ordinary Resolution 9 in item 9 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares in the Company pursuant to the exercise of options granted or to be granted under the Scheme up to a number not exceeding in aggregate (for the entire duration of the Scheme) fifteen per centum (15%) of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time.
- The Ordinary Resolution 10 proposed in item 10 above, if passed, will empower the Directors of the Company effective until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier, to repurchase ordinary shares of the Company by way of market purchases or off-market purchases of up to ten per centum (10%) of the total number of issued shares (excluding treasury shares) in the capital of the Company at the Maximum Price as defined in Appendix A to the AGM Notice to Shareholders dated 11 December 2009. The rationale for, the authority and limitation on, the sources of funds to be used for the purchase or acquisition including the amount of financing and the financial effects of the purchase or acquisition of ordinary shares by the Company pursuant to the Share Purchase Mandate on the audited consolidated financial accounts of the Group for the financial year ended 31 August 2009 are set out in greater detail in Appendix A to the AGM Notice to Shareholders dated 11 December 2009.
- The Ordinary Resolution 11 proposed in item 11 above, if passed, will authorise the Interested Person Transactions as described in Appendix B to the AGM Notice to Shareholders dated 11 December 2009 and recurring in the year and will empower the Directors of the Company to do all acts necessary to give effect to the Shareholders' Mandate. This authority will, unless previously revoked or varied by the Company in a general meeting, expire at the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.

#### Notes:

- A Member entitled to attend and vote at the Annual General Meeting (the "Meeting") is entitled to appoint a proxy to attend and vote in his/her stead. A proxy need not be a Member of the Company.
- The instrument appointing a proxy must be deposited at the Registered Office of the Company at No. 5 Second Chin Bee Road, Singapore 618772 not less than forty-eight (48) hours before the time appointed for holding the Meeting.
